

School Life Termly Newsletter

Spring Term One 2019

We would like to share our children's outstanding achievements on this newsletter.
Please don't hesitate to contact me if you would like to contribute any ideas for our next newsletter.

Learning Together for Life

School Council

School Council have given some feedback on how much they are enjoying the new Reading lessons in school. We are very excited for author visits in the summer so to start raising money for this we are planning a sponsored read. Read as many pages or books in a week as you can to raise more money towards our author visits. More information will come out soon.

Collective Worship Council

Our Collective Worship Council have been busy evaluating Collective Worship and creating prayer space books and they are investigating ideas to fund raise for our local community with a focus on looking into developing a school food bank for our families to access.

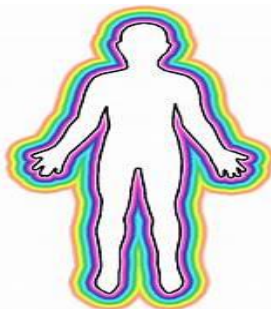

Big Brekkie

Our Year One Big Brekkie fundraising event raised over £100.00 for Christian Aid. The event is very popular and well attended with an opportunity to support those not as fortunate as ourselves around the world.

Our Termly Christian Value

This term, our Christian value is Co-operation. Through Collective Worship and reflection time, we explore how we can demonstrate co-operation in our school.

We use an image of a body to represent the parts all working together.

Unity and Diversity in the Body

1 Corinthians 12:12-31

Just as a body, though one, has many parts, but all its many parts form one body, so it is with Christ. v.12

Paul writes about how all people should work together to complete the work of Christ, just as all parts of a body are needed to work together. This applies to us in school as we co-operate to achieve our goals.

Sports Ambassadors

The Sports Ambassadors are excited to announce that we are launching the P.E House Cup competition! This will run at playtimes and everyone can get involved. The activities included so far have been cricket batting, basketball shots and "keepie uppies" to name a few. Each week we will record the scores for all the activities, as the 4 houses compete against each other in an inclusive and good natured competition. We are really excited to have this underway and are looking forward to finding out the results!

Market Rasen Heritage Centre

Well done to the children whose stories were chosen as competition winners. The children were fortunate enough to meet HRH Princess Anne when she visited the Heritage Centre a few weeks ago.

Mini Police

You may have seen our Mini Police outside school recently with the PCSOs. The children have been working with the police to continue to make the roads safer outside our school. You might have seen them in the Market Rasen Mail.
