

2014 KS2 National Curriculum Tests

2 and 3 Levels Progress

We measure the progress children make from the end of Key Stage One (Year Two) to the End of Key Stage Two (Year Six) and compare this to National Averages.

2 Levels Progress is Expected Progress

3 Levels Progress is Better than Expected Progress

These are the results for our school in 2014.

	2 Levels Progress	3 Levels Progress
Reading	92% (National 91%)	44% (National 35%)
Writing	81% (National 93%)	19% (National 33%)
