Further Comments:

- Would like to know how additional monies received for children with service premium is spent.
- The transition into school is fantastic, The school does a great job making them feel safe and secure.
- Thank you so much-very impressed with the phonics workshop, communication with home and the French Club. Impressed with all of the extra care my child has been given.
- Our daughter loves the school meals, the meals are very nutritious and child friendly as well as being easy to order. She comes home everyday sharing everything that has happened throughout the day and how much fun she has had, The homework which is set each week enables all children to fulfil their abilities and provides parents with additional information about what has been implemented in the classroom and how it meets the EYFS.
- I would like to be able to talk to the teacher before school. i.e I wanted to tell them someone else was collecting and couldn't get a chance so I had to come with them.
- I was shocked to see a charge for swimming as I thought this formed part of their weekly activities, However I didn't have a problem with paying but it would have been nice if the charge for swimming was included in the first swimming pool letter.
