Friday 17<sup>th</sup> July 2015

Dear Parent/Carer,

To continue our successful IPC curriculum next year, each class will be focusing on a new topic.

In September, the Falcons, the Kestrels and the Harriers classes will be focusing on the theme of 'The Rainforest'. Our aim is to produce a 'Rainforest Show' at the end of term, when you will be invited into school to watch and listen to an interactive show all about the rainforest, including an art gallery, a rainforest concert and lots of information to read and share. There might even be a special 'rainforest drink' on sale to enjoy as you wander round!

As part of the theme, we will be launching with an exciting 'WOW' day on Friday 4<sup>th</sup> September. If they want to, the children can come dressed in rainforest colours, or as explorers. They might want to bring any cuddly rainforest animals with them to visit for the day too.

During this day, the children will be involved in a variety of activities to launch their topic. The children will be developing and making a 'rainforest scene' in the classroom, making a range of plants and animals from the different levels of the rainforest.

During the Summer holiday, as project homework, we would like your child to do some research into the rainforest, such as what plants and animals are found there or which countries have rainforests. They might be able to find out what sort of products we use that come from the rainforest if they want. They could present this information in a variety of ways, maybe as a model, a piece of art work, a booklet of written information etc. This work will form the basis of our first display.

Yours sincerely,

Sue Thompson

Sam Briston

Danielle Fox

Falcons' Class Teacher

Harriers' Class Teacher

Kestrels' Class Teacher
