Learning Together for Life

Tuesday 21st July 2015

Dear Parents and Carers,

To continue our successful IPC curriculum next year, each class will be focusing on a new topic.

In September, the Robins, Merlins and Martins will become 'Time Detectives'. We will be learning all about Dinosaurs, Ancient Egypt and World War Two. We aim to go on a trip to the Collection in Lincoln during this term and to end our topic by opening our own museum, which will showcase all of the wonderful things we have learned.

As part of the theme, we will be launching with an exciting 'WOW' day on Friday 4th September. If they want to, the children can come dressed as palaeontologists.

During this day, the children will be involved in a variety of activities to launch their topic. They will be creating dinosaur bones, excavating fossils, creating their own fossils and decorating dinosaur eggs.

To help prepare the children over the summer holidays, their holiday homework is to create, research or read about dinosaurs, Ancient Egypt or World War Two. They could present their information in a variety of ways, maybe as a model, pieces of art, fact sheet etc. This work will form the basis of our first display.

We all look forward to seeing your creations and hearing all about your research on our return to school in September.

Many Thanks,

Victoria Bottle

Chloe Walford

Claire Smith
