**Learning Together for Life**

Friday 25<sup>th</sup> September 2015

Dear Parents/Guardians,

We are very excited to let you know that our new kitchen will be ready to serve your children hot meals from Monday 28<sup>th</sup> September. We would like to encourage you all to let your children try the wide variety of meals available, as evidence suggests that children learn and behave better in the afternoon if they have had a hot, nutritionally balanced school meal.

To order meals please follow the link on our school website, which will bring you to our new payment system WisePay. Please log in using your unique password and username, making sure you enter a valid email address so confirmation can be sent. If you encounter any problems using this system please speak to the school office. **Please ensure that the meals selected for children in Reception, Year 1 and Year 2 are completed in full until you are directed to the order complete window (see below).** There have been several problems with children not having a meal registered. This seems to be because meals have not been 'checked out' completely. There will be no charge for children in these year groups; however meals that are not registered properly are not catered for as the food is ordered in advance. This may result in parents being called to provide a packed lunch.
