Learning Together for Life

Friday 16th October 2015

Dear Parents/Carers,

Next week, on Wednesday 21st October, our Year Six children will be taking part in an E Safety workshop with John Jefferies from CFBT.

In the morning, the children in Year Six will take part in a number of activities in their workshop and will be learning about the importance of staying safe online and also how to do this. In the afternoon, the children will then conduct a presentation to parents about E Safety and how to stay safe online.

At Market Rasen Church of England Primary School, we take the safety of our children very seriously and we strive to ensure that all of our children know how to stay safe online. We would therefore like to invite all Key Stage Two parents to watch this presentation in the school hall at 2.00pm.

If you would like to attend the afternoon presentation, please complete the form below and return it to the school office by **Monday 19th October.**

We hope to see you there,

Yours sincerely,

Victoria Bottle
