Learning Together for Life

14/12/15

Dear Parents,

I am happy to be able to confirm the menu (overleaf) for next term. As you will see we have acted on the consultations with staff, parents and children and made some changes including:

- Having an extra vegetable available each day
- Addition of another “proper” pudding
- Changing some of the accompaniments to the dishes
- Better descriptions of some of the dishes

These menus are now on Wisepay. **Please log on and order by 28/12/15 for the first week back.** Menus have been released for the whole half term. Please remember if you want to change a menu choice you have made please contact the school office or the kitchen who will be happy to change the order for you. The allergies list for the new menus will be on our school website (www.marketrasen.lincs.sch.uk) in the next few days.

We are aware that over the last two weeks some parents have ordered meals that have not shown on the catering sheets the Wisepay system generates for us. Wisepay have looked into this for us and assure us that there is nothing wrong with the system and it is due to the fact that parents aren't fully checking out particularly for Free Reception and Key Stage One Meals and Free Key Stage Two Meals. Please see the last page of this letter that outlines how to check out fully. If you think that you have checked out fully and the meal has still not been ordered please let us know as we need to take these cases back to Wisepay. Thank you for bearing with us during these teething difficulties.

Yours sincerely,

Andrew Smith
Executive Headteacher
