Wednesday 16th December 2015

Dear Parents and Carers,

To continue our successful IPC curriculum next term, the children in Key Stage One will be focusing on a new topic.

In January, the Robins, Merlins and Martins will be looking at the IPC topic, 'A day in the life'. We will be learning all about the jobs that people do and how they help us in many different ways. We aim to invite visitors in to school during this term to tell us all about the job that they do and to end our topic by opening our own museum, which will showcase all of the wonderful things we have learned.

As part of the theme, we will be launching with an exciting **'WOW' day on Tuesday 5th January**. We would like to invite your child to come dressed as what they would like to be when they grow up.

During this day, the children will be involved in a variety of fun activities to launch their topic.

To help prepare the children over the Christmas holidays, for their holiday homework we would like them to create, research or read about different jobs that people do. They could present their information in a variety of ways, maybe as a model, works of art, fact sheet, etc. This work will form the basis of our IPC display.

We all look forward to seeing your creations and hearing all about your research on our return to school in January.

Many Thanks,

Victoria Woodgate

Chloe Walford

Claire Smith
