Wednesday 16<sup>th</sup> December 2015

Dear Parent/Carer,

To continue our successful IPC curriculum next term, each class will be focusing on a new topic.

In January, your child's class will be focusing on the theme of 'Young Entrepreneurs'. Our aim is to set up and launch a baking business, glean advice and support from cafés and famous bakers throughout the term and culminating in a café being open for business for 3 days at the beginning of March, with each class taking a day each in turn.

As part of the theme, we will be launching with an exciting 'WOW' day on Tuesday 5<sup>th</sup> January.

During this day, the children will be involved in a variety of activities to launch their topic. The class will not need anything different to their usual school day items for the WOW day.

During the Christmas holiday, as project homework, we would like your child to do some research into suitable items we could bake in our business, what they think would sell well to adults and children. We would also like them to think about a suitable name for our business/café, and design a logo we can use on our badges and letterheads.

Yours faithfully,

Sue Thompson

Sam Briston

Amanda Roe
