Learning Together for Life

Tuesday 23rd February

Dear Parents and Carers,

As part of our Science topic on Forces this term, we have organised a trip to Woolsthorpe Manor near Grantham. This was the home of Isaac Newton and is now a National Trust property with a Science Activity Centre attached to it.

Each class will be visiting on a separate day but the activities will be identical on each day.

The Harriers are going on Wednesday 9th March

The Kestrels are going on Thursday 10th March

The Falcons are going on Friday 11th March

We will leave school by 9am and travel by coach to Grantham. We have activities booked in the Science Centre all related to forces, the most exciting of which I think will be building and testing our own rockets! We will leave by 2pm in order to be back at school by the end of the school day.

The children will need to take a packed lunch and drinks with them. They will need to wear usual school uniform and take their coat. They do not need any money with them.

The cost of the trip will be £6. This is made up of £5 for the visiting the Manor, the Science Activity Centre and the workshops and £1 towards the cost of the coach. FOSA have very kindly donated £250 towards the cost of the coach for this trip.

Please fill in and return the slip at the bottom of the letter no later than **Monday 29th February**. Please put money in a sealed envelope with the child's name on it and the class they are in.

If you have any queries about the trip, please contact us at school.

Yours sincerely

Sue Thompson

Sam Briston

Amanda Roe

Y3/4 Trip to Woolsthorpe Manor

Name of child Class

I give permission for my child to go on the Science Trip to Woolsthorpe Manor and enclose £6 towards the cost of the trip.

Signed
