

Tuesday 1st March 2016

Dear Parents and Carers ,

Due to personal circumstances beyond our control, unfortunately FOSA can no longer continue in its current form. This means that all forthcoming events which were advertised in the newsletter have been cancelled. The Facebook page which you may recently have been added to will also close down. We sincerely apologise for any disappointment caused.

The school is absolutely committed to supporting the formation of a similar type of group in the future, one that will be sustainable and well supported and we will be consulting with parents in the new academic year as regards to what form this will take.

The school will continue to organise some events this year including a disco and an end of year leavers' party to ensure that our children do not miss out.

Kind regards,

FOSA
