Learning Together for Life

Tuesday 22nd March

Dear Parents and Carers,

To continue our successful IPC curriculum next term, the children in Key Stage One will be focusing on a new topic.

After Easter, the Robins, Merlins and Martins will be looking at the IPC topic ‘The Circus is coming to Town.’ We will be learning all about the circus, what it was like to be in a circus in the past, how acts have developed over the years, what it is like to be in the circus today and many other exciting things.

As part of the theme, we will be launching with an exciting ‘WOW’ day on Tuesday 12th April. We would like to invite your child to come dressed as a circus act that interests them.

During this day, the children will be involved in a variety of fun activities to launch the topic, which includes, taking part in a circus workshop where the children will learn some skills that circus acts perform during their shows.

There is a cost for hiring the circus workshop and we ask if parents could make a contribution of £3 to cover some of this cost. Please complete the slip below and include the contribution of £3.

To help prepare the children over the Easter holidays your holiday homework is to research the circus. You can present your findings in any way that you wish such as, a piece of writing, a picture, a model, leaflet etc. You could even try to visit a circus if there is one in town!

We all look forward to seeing your creations and hearing all about your research on our return to school in April.

Many Thanks,

Victoria Woodgate
