Learning Together for Life

Thursday 28th April 2016

Dear Parent/Guardian,

With your child being a couple of weeks away from their KS2 Assessments, which are commonly known as SATs, we have given the child some English and Mathematics papers. This is a replacement for the weekly homework that they usually receive.

The children have encountered similar papers throughout the year and have made good progress by developing their understanding and working on areas they find challenging. The intention is for the children to work through the papers so that they feel familiar with the style of questions that they will come across in the actual exams.

We have included the answer booklet with the papers so that the children can check if they are correct. The papers do not need to be returned to school but we have asked the children to speak to us about any areas they are unsure about. Ideally they will show us any misconceptions.

National Curriculum Assessments Timetable - Week Beginning 9th May 2016

	Morning	
Monday 9 th May	Reading Test	
Tuesday 10 th May	English Grammar, Spelling and Punctuation Test	
Wednesday 11 th May	Mental Mathematics Test	Mathematics Test Paper 1
Thursday 12 th May	Mathematics Test Paper 2	
Friday 13 th May	No assessments	

Once again, I hope that the children find these useful and that they are of benefit. If you have any questions please speak to me.

Yours sincerely

Gary Easby
Assistant Head of School
