Tuesday 19th July 2016

Dear Parent/Carer,

To continue our successful IPC curriculum next year, each class will be focusing on a new topic.

In September, the Falcons, Kestrels and Harriers will be focusing on the theme of 'Chocolate'. Our aim is to set up and open 'The Chocolate Factory Museum' at the end of term, which will display all our work from this term as well as selling some brand new chocolate items invented by our very own chocolatiers!

As part of the theme, we will be launching with an exciting 'WOW' day on Tuesday 6th September. Much of our work this term will be based on 'Charlie and the Chocolate Factory' so, if the children want to, they can come dressed as one of the characters from the book.

During the day, the children will be involved in a variety of activities to launch their topic. The children will become Chocolate Scientists as they taste different types of chocolate and sample different varieties of hot chocolate drinks. They will also be working in groups to design a chocolate machine.

Please let us know on the first day back if there are any allergies we should know about in relation to chocolate and hot chocolate.

During the Summer holiday, as project homework, we would like your child to do some research into chocolate, where it comes from and what items / flavours they think would sell well to adults and children. We would also like them to save chocolate wrappers and any packaging with chocolate included to bring to school on the first day back.

Yours sincerely,

Sue Thompson

Falcons' Class Teacher

Amanda Roe

Kestrels' Class Teacher

David Butson

Harriers' Class Teacher
