Dear Parent/Carers,

To assist us with the high quality swimming lessons we offer, we are looking for volunteers to help us. We do need to increase the number of volunteers to maximise the time that your children have for swimming.

The sessions run from between 60 -90 minutes. As a volunteer you will be assisting me with the children, helping on poolside and, depending on the year group, supporting the children getting changed, subject to the correct clearance.

Parent helpers have always been an integral part of our swimming lessons and we really appreciate the time and effort that every volunteer has put in to making the swimming lessons run so smoothly.

If you are able to spare some of your time to assist with the teaching of swimming next school year, please inform the office or myself of your availability as soon as possible.

Yours sincerely

Mr D Toothill

Teacher of Physical Education and Swimming
