Dear Parents and Carers,

We would like to invite you to our Year One and Two Exit event on Friday 10th February from 2.15pm onwards. You can drop in anytime until the end of school.

Our topic this term has been 'We are what we eat'. The children have been exploring lots of different elements to food and they would like to share this with you.

We would also like to invite you to drop into your child's classroom to look through their books and to join in with some fun activities. We would then like to invite you to visit the children's very own mini 'farmers market' in the hall.

In addition to the children selling delicious food to raise money for our school library, there will also be some local businesses selling their own goods, for example Cote Hill Farm and Sunny Side Farm.

The market will continue for a little while after school if you cannot make the afternoon and would prefer to visit after school although the classrooms will then be shut.

We look forward to your support and we hope to see you at our Exit event.

Many Thanks
