Friday 10th February 2017

Dear Parents/Guardians

As part of our next exciting IPC topic – Mission to Mars – we will be ‘launching’ our Wow Day with a range of Astronaut training activities. These will include problem solving, puzzles, logic and physical exercise on Tuesday 21st February.

As part of your holiday homework we would like you to research any of the following:

- Spacecraft
- Astronauts
- Rockets
- Space travel
- Lunar vehicles

The children should come in usual school uniform. We look forward to another exciting day.

We will be taking one small step for man, one giant leap for man kind.

Regards

Gary Easby

Sam Briston

Michael Mullen
