27th November 2014

Dear Parents,

Due to our increasing popularity the Local Authority are building us another classroom. This will give us much needed space and reduce class sizes across Key Stage Two.

As a result of this work the path between the children's centre and the Mill Road playground will be closed for the duration of the work, expected to be between December 2014 and April 2015. The field gate will still be open so the Mill Road playground can be accessed through the infant playground. The school and the contractor would like to apologise for any inconvenience caused during the time of the build.

On another note the Children's centre have asked us to remind you not to use their car park as it is causing congestion in the morning and leaving their staff and visitors unable to park. We would encourage you to use the park and stride facility provided by the Co-op.

Please don't hesitate to contact me if you would like to discuss these matters further.

Kind regards,

Andrew Smith

Executive Headteacher
