

Tuesday 2nd December 2014

Dear Parents/Carers,

The school term is almost over which must mean it's time we had a disco to get into the mood for Christmas! The discos will be held on Monday 15th December 2014 with the Foundation and KS1 disco running from 4.00pm – 5.00pm and the KS2 disco from 5.15pm – 6.30pm. This allows time for younger children to be collected at the end of the school day to go home and change before we get started.

We require all children to be accompanied to and from the disco for their safety and we will match children to adults in the hall immediately following each disco. No child will be allowed to leave until they are collected so please arrive promptly.

We will not be issuing tickets but instead it will be a pay on arrival system and the cost will be £1.50 per child. This includes entrance to the disco and also unlimited cold drinks and a packet of crisps + additional snack.

We hope to see as many children as possible to enjoy this end of term treat.

Kind regards

Friends Of School Association
