**Learning Together for Life**

---

Thursday 25<sup>th</sup> May 2017

Dear Parents and Carers,

We will be continuing with our current IPC topic of 'Our World' for a short period when we return from the half term break. This will culminate with an Exit Afternoon comprising of a big art project on Monday 12<sup>th</sup> June.

We will then launch our new IPC topic of 'Hooray... Let's go on holiday!' with a Wow day on Friday 16<sup>th</sup> June. We invite the children to come in that day dressed to go on holiday, and bring along a small suitcase or bag packed with what they think are their holiday essentials. We request that you make sure the bag is small and light enough for your child to carry into school themselves on the day. We will learn about all different aspects of going on holiday during this topic, including travel, destinations and what we might do when we're there.

In preparation for this, we would like your holiday homework to be a project based around holidays. We would like you to tell us about either the favourite holiday you have already been on, or your dream holiday. This could be presented in any way you choose, whether it be a poster, scrap book, powerpoint, video, or any other creative ideas you have.

We can't wait to see your projects when you come back to school.

Kind regards,

The Key Stage One Team
