Friday 26<sup>th</sup> May 2017

Dear parent and carers,

We are excited that our new IPC topic will be 'Making new Materials' next term. In this unit we will be researching materials and finding out interesting facts about them.

For our WOW day, we will be carrying out a fascinating investigation into how materials change. Please come dressed as Scientists ready for our day of fun and learning on Tuesday 6<sup>th</sup> June.

For your holiday homework, please research a material for example:

- cotton,
- silk,
- carbon fibre,
- paper.

We look forward to seeing your exciting ideas and presentations of your holiday homework.

Yours Sincerely

The Year 5/6 team.
