Learning Together for Life

London Trip

Response Needed by Wednesday 5th June 2017

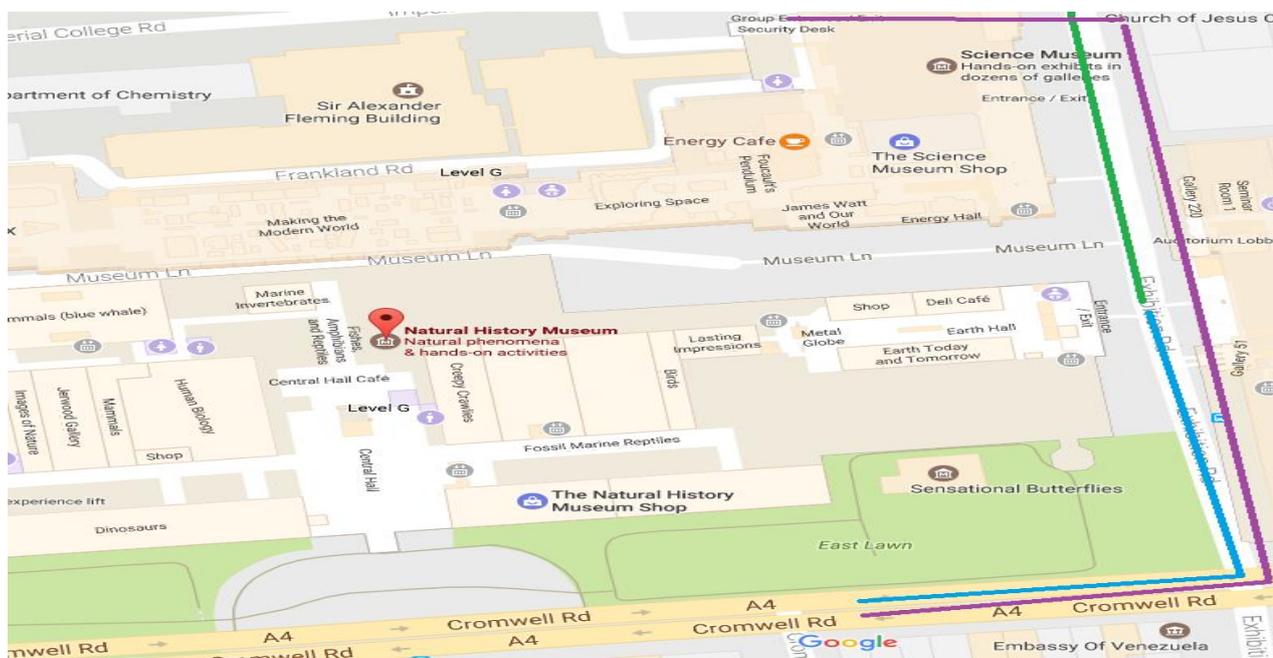

Dear Parents,

In light of the terrorist attack in London this weekend we have once again sought advice from the Local Authority advisor for educational visits. Their advice is unchanged from our previous letter so at this point we still intend to go ahead with the visit. We are not alone in this decision; we know of other schools who are also going ahead with trips to London this term.

The choice whether your child attends this trip is of course yours. To enable parents to be able to make an informed decision we have included the following information.

Visit Itinerary:

- Children to be on the coach from School to the Natural History Museum with one short stop at a motorway service station. Children will be supervised at the service station and won't spend time outside.
- Coach will pull up on Cromwell Road, a very short walk to the Natural History Museum. (BLUE LINE ON MAP-about 220 metres) Children will spend all of their time inside the gallery in groups with a child to adult ratio of around 1:6
- Children will have their lunch inside the museum.
- Short walk from the Natural History Museum to the Science Museum. (GREEN LINE ON MAP about 240 metres)
- Short walk from Science Museum to Cromwell Road to get onto the bus. (PURPLE LINE ON MAP-About 480 metres)
- Both museums have confirmed they have security checks in place.
- Children to be on the coach from Cromwell Road to the school with a short toilet stop where children will be supervised and won't spend time outside.

Learning Together for Life

We have had some parents who have advised us that they don't want their child to go on the visit now. Therefore this letter asks formally if you would still like your child to attend. When making this decision we would ask you to speak to your child to ensure they feel safe as we wouldn't want to put children in a situation that makes them feel anxious.

If we go will be dependent on whether enough children still want to. We will need to inform the coach company as soon as possible if we are not going to go as the cancellation costs increase the nearer we get to the date of travel. At this point in time parents can expect to receive 75% of the trip cost back if the trip is cancelled by the school. If the trip goes ahead but your child does not go then no refund can be given.

We would be most grateful if you could return the slip below back tomorrow, Wednesday 7th June 2017. If we do not get a slip we will assume your child is coming.

Kind regards,

Andrew Smith
