London Trip

Dear Parents,

Thank you so much for returning your reply slips regarding the London trip so promptly. This has helped us make our decision quickly.

The majority of parents have expressed the view that they would still like their child to attend the trip so the visit will go ahead. In total, about 70 children will be going on the trip meaning we will have a ratio of around 1 adult to every 4 children, which is even better than stated in the letter yesterday.

As some children are now not coming on the trip there are limited spaces on the coach. If you would like to come along as a parent helper, please let the school office know and we will allocate these seats on a first come first served basis.

If you have any questions about this visit please let us know. Further information regarding the trip will come out in due course.

Yours sincerely,

Andrew Smith
