Learning Together for Life

Friday 9th June 2017

Dear Parents,

Welcome back to Term 6, arguably the busiest but best term of the school year! This letter will outline lots of important information for the last term of the school year.

Year One Phonics Screen

The Year One children will undertake their statutory Phonics Screening Test next week. We do this in a very low key way and the children won't even know that they are being tested. Their results will be sent out with their end of year reports.

Sun Safety

Hopefully we will enjoy some really good weather this term. Please ensure that your child has long lasting sun cream applied before they come to school and a hat to ensure they don't burn.

Class Collective Worship

The below classes will be leading Collective Worship on the following dates:

Eagles- Thursday 22nd June 9.00am

Finches – Wednesday 5th July 9.00am

Lost Property

We have accumulated quite a lot of lost property this year. Of course we can return named items however we have many items unnamed. Towards the end of term we will put out the items in the playgrounds so they can be taken home.

Year Six Leavers Events

We have lots of events planned to mark the end of Primary education for our wonderful Year Six children.

14 th July	All day	Year Six Leavers Visit-Letter to follow
17 th July	1.30pm	Church Leavers service
17 th July	6.00-8.00	Leavers Disco (KS2 children invited)
19 th July	9.30am	Leavers service (School hall- Y6 parents invited)

Key Stage Two Summer Show

Due to the increase in the number of children we have in Key Stage Two, this will be the last year that we will be able to involve all Key Stage Two children in the Summer Show. We will let you know next year the specific changes. This year the performances will be on the 12th July at 2.00pm and 6.00pm. Tickets will be on sale shortly. We hope that you can come.

Learning Together for Life

We hope you can come and see our children show our key values of fairness, commitment to achieve and respect as they compete.

Music Evening

Following the success of our Music Evening last year we are holding the event again this year on Wednesday 5th July to celebrate the diverse musical talents of the children who have music lessons. Parents of children who are taking part in this event will receive an invite via their child however all members of the school community are welcome to join us for what will be an enjoyable evening.

Class Allocations

As a large school with mixed aged classes each year we have to organise all of our 300+ children into 11 classes. To do this we take into account age, friendship groups, previous teachers, special needs, gifts and talents and many other variables. We will ask your child to name a few children they would like to be with next year and we will ensure that at least one of those children is with them. Your child's new class will be allocated in the end of year report on the 14th of July.

I cannot believe how fast this year has gone and before we know it it will be the summer holidays. I am sure your child will have a wonderful Term 6 here with us. Please don't hesitate to contact me if you have a query about any aspect of school life.

Yours sincerely

Andrew Smith

Executive Headteacher
