Dear Year 2 Parents,

As you know your child has received free school meals for the last 3 years. We really hope that they have enjoyed the delicious, nutritious food served from our very own kitchen. In September, your child will not be eligible for the grant that provides the hot meals therefore to continue with the hot meals they will need to be paid for. At present the Governors are running a trial whereby the meals have been reduced in cost from £2.40 to £1.90 with the aim of increasing the uptake.

Governors need to make a decision before the end of term whether to keep the price at £1.90 or increase it to £2.40. To make an informed decision they have asked me to consult with Y2 parents to find out how many children are likely to take the meals next year despite having to pay for them.

As a school we would love as many of our Y2s as possible to continue taking the meals and believe that even at £2.40 they provide good value for money as the child gets a salad, main course and dessert.

Please would you be so kind as to complete and return the reply slip below to help us make decisions for the next academic year?

Yours sincerely,

Andrew Smith
Executive Headteacher
