**Learning Together for Life**

---

Tuesday 16<sup>th</sup> December 2014

Dear Parents / Carers

Next term we will be learning about buildings and structures. We will be learning about our homes, houses in the past and those in the future, fairy tale houses, castles and cathedrals. We hope to go on a trip to Lincoln Castle and Cathedral at the end of the Spring Term.

To help the children to prepare, their holiday homework is to create, research or read about a building. It can be their home, a building they have visited on holiday or even one they have read about or seen on a film.

On our return in January, our WOW day will involve a walk around Market Rasen looking at some of the buildings we have here in our town. We will also be creating and building them with construction materials on our return.

Please ensure that your child is suitably dressed to walk around the town on their first day back. If you are able to walk around the town with us please let know. We are aiming to walk around town between 10.45 to 11.45am if you are available.

We look forward to seeing your wonderful creations and informative research.

Yours Sincerely

The Key Stage One Team
