Dear Parent/Carer

KS2 Break time Snack provision

As you are aware Market Rasen Church of England Primary School are committed to providing a healthy environment in which your children can thrive. We also understand that providing healthy and affordable options is not always easy. In Reception and Key Stage One the government provide and subsidise fresh fruit and vegetables for all children. This however, stops when the children move in to Key Stage Two. We, at Market Rasen Primary School, are aware that fruit and vegetables can be expensive and have a short shelf life; therefore we would like to provide affordable provision for Key Stage Two.

At first this provision will be trialled over the period of a week. This will be week commencing 16th October, with the view to extending this further.

The fruit/ vegetables will be charged at 20p a day for a portion and will be sold at break time. If you would like your child to take up this offer, then please send them with 20p (exact money as change cannot be given) to pay for their snack that day.

Yours sincerely

Miss Smith and Mr Toothill
Food for Life Team
