Wednesday 17th December

2014

Dear Parents / Carers

Next term we will be learning about electricity and our topic will be focused around the theme of fairgrounds. To help the children to prepare their holiday homework is to research any fairground ride, such as a Ferris wheel. Possible things to research could be about why it's called a Ferris Wheel or what's the world tallest Ferris wheel.

On our return in January, our WOW day will be on 6<sup>th</sup> January 2015. It will involve making model rides using craft materials, it should be a fun practical day to get the children engaged in our new topic. The children do not have to wear school uniform for our WOW day

I look forward to seeing your wonderful research.

Yours Sincerely

Sam Briston
