Dear Parents/Carers

Child Safety

We have been informed by a member of the community there was a near miss between a vehicle and a child from our school on Mill Road this morning. We are extremely concerned for the safety of our children and ask for our parents and carers to ensure that our children come to school safely.

We strongly encourage the Park & Stride initiative that the Co-Op offers to our parents. This helps to reduce congestion around the Mill Road area. We would like to remind parents it is not safe to park on corners, kerbs or double yellow lines and would appreciate your help with ensuring this does not happen, in the interest of the safety of our children, parents and local community.

We will contact the Highways Agency to see how they can help us with the concerning issues of congestion and parking around our school.

We would appreciate your co-operation with this.

Yours sincerely

Andrew Smith

Executive Head Teacher
