Learning Together for Life

Monday 16th October 2017

Dear Parent/Carers

Friends of School Name and Logo design competition

We are pleased to tell you we have successfully formed a new Friends of School Committee. We are busy planning lots of fundraising ideas and events to raise funds for resources and experiences for all of the children in our school.

To get our organisation off to a great start, we would like to ask all children to enter a competition to think of a name and design a logo for our friends of school association.

We would like the name and logo to represent our wonderful school as it will be used on all of our correspondence and publicity. You can use the space below to draw your design, it can be in colour. It could be inside a shape or just a picture on the paper. There will be a prize of art equipment for the winning design, which will be chosen by our committee at our next meeting.

All entries must be returned to school by Tuesday 1st November and include your child's name, age and class name.

We are looking forward to working together to raise funds that will benefit the whole of our school community and ask you to keep your eyes open for our up and coming events.

Yours sincerely

Katie Priestley
Chair, Friends of School Committee.
