Learning Together for Life

Monday 11th December 2017

Challenge Club

Dear Parents / Carers

From January, I am going to be running an after school club for Key Stage Two children focusing on developing higher order thinking skills, problem solving, puzzles and co-operation.

The club will run every Thursday from 3.20pm – 4.20pm and begin on Thursday 11th January 2018.

The children will be involved in a variety of practical and fun activities to develop their higher order thinking skills and work on team building activities to solve problems and puzzles. These activities will also include entering national competitions focused on reading, writing and other subject areas.

As a child identified on the able / more able register, your child has been invited to join us for the club for this term. Please could you return the slip below to me to secure a place for your child. Please don't hesitate to contact me if you would like further information.

Yours Sincerely

Nichola Allerston

Head of School

Challenge Club - after school club – January 2018

I would / would not like a place for my child at the Challenge Club after school club on a Thursday.

Name of child _____

Class _____

Signature _____
