Learning Together for Life

Monday 18th December 2017

Dear Parent/Carer

IPC Topic – Go With The Flow

Our next exciting IPC is themed around rivers. There are many different aspects we will be learning about:

Physical characteristics of rivers – what do they look like? How do they differ from lakes, seas and oceans?

Wildlife to be found in and around rivers – flora and fauna, environmental surroundings of rivers, and lots more.

For our exciting WOW Day – which will take place on Thursday 4th January – we will become nature documentary presenters. For this, we invite children to dress up as nature explorers.

For your holiday homework, we would like you to research and present facts and information about some of the world's most Famous rivers: the Nile, Thames, Amazon, Mississippi, Indus, Danube, Rhine and the Yangtze

Yours sincerely

Year 5/6 Team
