**Holiday Homework**

Dear Parents and Carers

To continue our successful IPC curriculum next term, the children in Key Stage One will be focusing on a new topic.

In January, the Robins, Merlins and Martins will be looking at the IPC topic, 'All Dressed Up'. We will be learning all about the different aspects and roles that clothes play in the past and the present. We aim to end our topic by creating and displaying some hats which will be built using what we have learnt about clothes over the term.

As part of the theme, we will be launching with an exciting '**WOW**' day on **Thursday 4<sup>th</sup> January**. We would like to invite your child to bring in a teddy bear from home that we will create an outfit for during the WOW Day.

During this day, the children will be involved in a variety of fun activities to launch their topic.

To help prepare the children over the Christmas holidays, for their holiday homework we would like them to create or research different clothes from the past or present. They could present their information in a variety of ways, maybe as a model, works of art, fact sheet, etc. This work will form the basis of our IPC display.

We all look forward to seeing your creations and hearing all about your research on our return to school in January.

Many Thanks

Victoria Woodgate
