Please choose from the options below for your snow day 2018 homework.

<p><b>LO: To use bossy verbs</b></p> <p>Write a set of instructions for how to build a snowman or a snow lady. Explain each step. You could even take photographs of each step to use in your writing.</p>	<p><b>LO: To write a recount</b></p> <p>Write a recount of your snow days whilst school has been closed. Can you use some exciting adjectives, adverbs and conjunctions to keep the reader hooked?</p>	<p><b>LO: To practise my reading skills.</b></p> <p>Read a book in an odd place. Could you read a book to your snowman? How about on a sledge? We would love to see the photographs of you reading different places.</p>
<p><b>LO: To compare intervals of time.</b></p> <p>How many snowballs can you make in a minute? Have a race and see who can win the race. Can you beat your score? Could you make more in two minutes? Explain how you know.</p>	<p><b>LO: To create a snow scene.</b></p> <p>Using whatever materials you decide, create a snow scene picture. What have you been able to see over the past few days? Write about your picture and explain why you have created it in the way that you have.</p>	<p><b>LO: To add and subtract numbers.</b></p> <p>On Mathletics, some new homework has been set. This is addition and subtraction. You could also enjoy some times tables toons and practise your times tables. We know how much you all love to sing along to these!</p>
