Dear Parents and Carers

### **Year 1/2 Holiday Homework**

To continue our successful IPC curriculum next term, the children in Key Stage One will be focusing on a new topic.

Next term, we will be continuing with our IPC topic of the Circus for two weeks. We will then move onto our new IPC topic 'A Day in the Life'. During this topic we will learn all about what different people do in their day to day jobs. We will relate this to people who we meet in our own lives, and think about what we might like to do when we are older.

As part of the theme, we will be launching with an exciting 'WOW' day on **Monday 30<sup>th</sup> April**. We would like to invite your child to come dressed up as the job they would like to do when they are older.

During this day, the children will be involved in a variety of fun activities to launch their topic.

To help prepare the children over the Easter holidays, for their holiday homework we would like them to research different jobs. They could present their information in a variety of ways, maybe as a model, works of art, fact sheet, etc. This work will form the basis of our IPC display.

We all look forward to seeing your creations and hearing all about your research on our return to school after the Easter holidays.

Yours sincerely
