Learning Together for Life

Wednesday 28th March 2018

Dear Parent/Carer

Year 5 & 6 IPC Letter

We are excited that our new IPC topic will be 'Building a Village'. In this unit, we will be learning about a range of different settlements – in our own country and those around the world.

For our WOW day, which will take place on Tuesday 17th April, we will be designing our own town and giving justifications for our choices in a presentation. Please send your child to school dressed as a town planner or a construction worker.

For your holiday homework, please identify a building that you would expect to see in a town. This may include a picture, a model or research.

We look forward to seeing your holiday homework.

Yours sincerely
