Wednesday 19<sup>th</sup> December 2018

Dear Parents/Carers

### **Year 5/6 Holiday Homework and WOW Day**

As part of our next exciting IPC topic – Mission to Mars – we will be ‘launching’ our Wow Day with a range of Astronaut training activities. These will include problem solving, puzzles, logic and physical exercise on Tuesday 8<sup>th</sup> January.

As part of your holiday homework we would like you to research any of the following:

- Spacecraft
- Astronauts
- Rockets
- Space travel
- Lunar vehicles

Following this research, we would love your child to present what they have found in a fun and exciting way. This could be any of the following:

- Painting
- Drawing
- Collage
- Sculpture
- A Model etc

The children should come in usual school uniform. We look forward to another exciting day.

We will be taking one small step for man.....

Yours sincerely

Year 5/6 Team

Sam Briston, Claire Smith and Michael Mullen
