Dear Parents/Guardians

### **Residential 2019-Letter for Year Five Parents**

Thank you to those parents who attended the Residential meeting last term. We can now let you know that the Residential has been confirmed as 30<sup>th</sup> October 2019 to 1st November 2019. The dates have been moved back to avoid the local grammar 11+ dates which have caused problems in the past and to make the visit a little less expensive to enable as many children to come as possible.

There are two changes that have come about since the parent information meeting in December; the first being we are now also inviting children who are in Y4 this year (Y5 next Year) to attend. In a recent parent questionnaire 95% of parents said they would be happy or extremely happy if we offered a trip to Year Five children.

The second change is that the children from our partner school, Nettleton Community Primary School, will be doing the visit on their own this year and therefore will not join us.

A letter to book a space for your child with a £10.00 deposit has been issued already. If you have not yet booked a space for your child and would like to please return the slip below as soon as possible and confirm your space with the payment.

The total cost for the visit this year will be £135.00. Payment for the balance can be paid in instalments to suit you up until 30<sup>th</sup> September 2019 when we require the balance to be cleared.

If you have any questions please let me know.

Sam Briston  
Year Six Team leader
