Dear Parents/Carers

### **Year 5/6 IPC Topic and Holiday Homework**

Our IPC topic next term is going to continue to be Mission to Mars. We have looked at some fascinating aspects so far and made great use of Google Earth Pro to look at them up close.

For the children's holiday homework we would love them to present an aspect that we have learned about in a creative way. The following may give the children some ideas:

- Olympus Mons
- Pavonis Mons
- Arsia Mons
- Ascraeus Mons
- Valles Marineris
- Hebes Chasma

Some of the creative ways your children could choose are:

- Painting
- Drawing
- Collage
- Sculpture
- A Model etc

We really look forward to seeing some of the amazing things that will be created. We cannot wait to display these in our classrooms for everyone to see how talented the children are.

Yours sincerely

Year 5/6 Team
