Learning Together for Life

Wednesday 3rd April 2019

Dear Parent/Carer

To continue our successful IPC curriculum this year, each class will be focusing on a new topic.

In the summer term, the Falcons, Kestrels and Harriers will be focusing on the theme of 'Paintings, Pictures and Photographs'. Our aim is to set up and open our own Art Gallery at the end of term, for you to be able to come and see all the fantastic paintings, pictures and photographs we will have created.

As part of the theme, we will be launching with an exciting 'WOW' day on Tuesday 23rd April. As the majority of our work this term will be based on paintings, we would like the children to come as an artist (famous or otherwise) or as a character from a famous painting. If the children do not want to come dressed up, please can they come in a colour theme e.g. everything blue or red etc.

During the day, the children will be involved in a variety of activities to launch their topic. The children will become artists, mixing and creating colours, as well as attempting to recreate a famous painting bit by bit.

During the Easter holidays, as project homework, we would like your child to do some research into either famous artists, cartoonists or photographers, or a famous painting. Maybe they could find out something about the work, whether the artist lived in this country or somewhere else in the world, and say what it is they like about the work.

Yours sincerely

Sue Thompson
