Hot school meals - Parent Consultations

Dear Parents / Carers

We recently wrote to you regarding the exciting news that we have been successful in securing a bid for the installation of our own kitchen for the Autumn Term.

As part of the consultation process, we have Karen Huxtable from the Schools' Food Trust coming into school to work with us regarding possible menu choices for the children. She would like to meet with as many of you as possible to discuss your ideas and identify ways forward with the hot lunches and menu choices we will be serving to your children.

Karen will be in school on **Tuesday 10th March** with meetings planned for the following times:

Tuesday 10th March 2015 10.30 a.m.

Tuesday 10th March 2015 2.15 p.m.

Please return the reply slip at the end of this letter if you intend to come. We hope that as many parents as possible can attend these important consultations as they will be a key part of the decision making process going forward with our hot lunches provision for the future.

Please return to the school office

I will be attending the parents' consultation with Karen Huxtable regarding the school's hot meal provision for September.
