

# School Life Termly Newsletter

## Summer Term One 2019

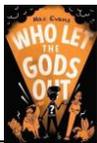

We would like to share our children's outstanding achievements on this newsletter.

### Learning Together for Life

#### School Council

Our School Council introduced their sponsored reading event in Collective Worship that will take place the last week of term. We are looking forward to raising lots of money to support our reading in school through author visits planned for later in the term. Please support us by helping your child to complete their sponsor form and returning it to school when the event is completed.

#### Collective Worship Council

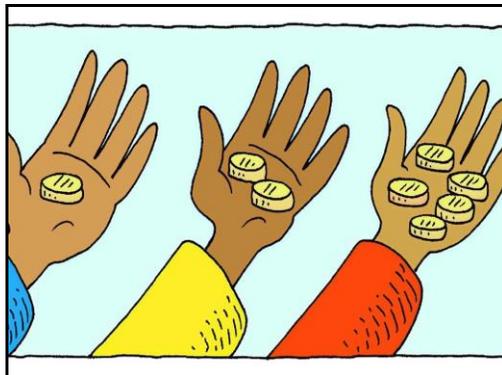

Our Collective Worship Council are busy preparing their Bake Off event to take place next term. They have also been helping with our updated prayer space focused on friendship and they are looking forward to delivering some Collective Worship in the next few weeks. To develop their role in Collective Worship further, they have been writing prayers to share with the children each day that reflect our life in school. They are looking forward to writing and sharing their prayers.

#### Big Brekkie

Our Year Three Big Brekkie event raised £189.26 for Christian Aid which takes our total to over £500.00 so far this year. The event is a great opportunity for our children, parents and the church community to work together. Look out for the letter with details for our Year Four event.

#### Our Termly Christian Value

This term, our Christian value is Commitment to Achieve. Through Collective Worship and reflection time, we explore how we can demonstrate Commitment to Achieve. We use an image to represent the Parable of the Talents.

#### The Parable of the Talents

##### **Matthew 25: 14 – 30**

The one who has received the five talents went off at once and traded with them, and made five more talents v.16

In this parable, the first two servants are careful with their 'talents' and work hard to multiply them. They were rewarded by their master. Much in the same way, in our school we show commitment to achieve in everything we do, not just for ourselves, our classmates or our teachers, but also for God.

#### Sports Ambassadors

The Sports Ambassadors have continued to set up activities and inclusive games that get all the children involved at lunchtime, they have also been able to oversee the children using different pieces of equipment. Following the very successful Year 5 Football cup last term, which the Sports Ambassadors played a very vital part of the running of, they are also looking forward to offering this opportunity out to other year groups, as well as the continuation of the Sporting house cup.

#### Mini Police

Our Mini Police have been busy training with the police on the Fatal Four project. They went out with the speed guns and were involved in stopping motorists who were driving above the speed limit on Linwood Road.

#### Parent Workshops

We are very excited about our new workshops entitled 'Grow Your Own'. Parents and children will be working with a tutor to learn more about growing and help with our outdoor planters and pond area to grow vegetables to be used in our kitchen.
