Dear Parents/Carers

### **Key Stage Two Performance**

Our Key Stage Two Performance of Mary Poppins is fast approaching and the children are working very hard to make the show the best it can be.

To help the children get into character we would like the children to wear the following costumes:

For the Chimney Sweeps: a flat cap and/or a plain waistcoat.

For the Bankers and those who appear at the bank: a smart plain shirt with an optional tie if available.

For the people who appear as customers in the park: Victorian style shawls or aprons for the girls, flat caps if playing an adult male and a shirt and shorts if playing a boy.

For the sellers who appear in the park: a smart shirt with a tie or bow tie if possible.

Neleus: a toga or similar statue attire if this can be arranged.

For the people working in the house: Victorian style aprons would be amazing if possible.

If your child's part is not mentioned, please speak to Mr Mullen if you have not already done so.

If you do not have any of the items mentioned above and are not able to provide them, please speak to your child's class teacher. If you have any of the items mentioned above, and you are happy to bring them in for other children to wear, please let your child's class teacher know- all items borrowed will be returned at the end of the play so please make sure they are clearly named.

We hope you are looking forward to this performance as much as we are- it's always a brilliant show and the children work so hard to end the year on a high!

Thank you for your continued support

Yours sincerely
