Learning Together for Life

Monday 16th March 2015

Dear Parents / Carers,

As you know this term we have been participating in an IPC unit called 'Fairgrounds'. We have learnt all about designing and making models.

To celebrate our learning, during our exit day we are going to be building mini model fairground rides and then presenting our finished products in a sales pitch role play. Our exit day is on Friday 20th March. With our day being focused around selling our rides it would be nice if the children could come in 'smart office' clothing. The children will still be participating in PE as normal.

Yours Faithfully,

Sam Briston
Class Teacher
