Dear Parent/Guardian,

The Harriers will be holding our WOW day on Wednesday 15th April as we start our new topic – Here and now, there and then. This topic is about different counties from around the world. On our WOW day we will be creating collages to represent different countries. I would like the children to come in school uniform.

For holiday homework, I would like the children to research any county of their choice. I would like them to find out about the geographical features of the country such as beaches, mountain ranges and rivers. Also I would like them to find some suitable interesting facts about the history of the country.

Many Thanks,

Sam Briston
