**Learning Together for Life**

---

Friday 27<sup>th</sup> March 2015

Dear Parents/Carers,

Next term, the children in the Kites and Eagles will be following a unit of work called, "What Price Progress?" The unit is about technology and change in the world we live in.

Over the Easter holidays, we would like you to research a famous invention or inventor that you feel has had an impact on society. You can present your research however you choose. This may be as a poster, model, newspaper report, etc.

Please can you also collect a carrier bag full of junk materials (i.e. cardboard boxes, bottles, containers- nothing sharp)

For the WOW day on Wednesday 15<sup>th</sup> April for both classes, we ask that you bring along your bag of junk and research.

Have a great Easter break,

Gary Easby  
Assistant Head
