Learning Together for Life

Monday 15th June 2015

Dear Parent/Carer,

As part of our International Primary Curriculum, we are combining some of the year’s topics to create what we are sure will be a memorable ‘Wow’ Day. We would like to take the children to London. We will visit the National History Museum, to see some of the most significant fossil discoveries and then visit the Science Museum, to see forces in action and learn from how technology has advanced over the past few centuries.

This has been arranged for Friday 10th July 2015. Clearly, this will be a long day and we will need to leave school at approximately 6.20am and return at approximately 9pm. As with the London trip last year, the cost will be £15 per child. This has been significantly reduced using school funding and the support of FOSA, to allow as many children to go as possible. The children from Kites and Eagles will be joined by Y5/6 children from Nettleton. We will also be taking a number of adults to supervise and support the children throughout the day.

We hope that you will see this as a wonderful and unique learning opportunity for the children.

In order for us to confirm that the trip is feasible please return the permission slip and payment by Monday 22nd June. If you have any queries please contact us.

Yours faithfully,

Gary Easby

Assistant Head of School

Kites and Eagles London Trip – Friday 10th July 2015

Name of child..... Class.....

I give my permission for my child to travel to London and visit the National History Museum and the Science Museum.

I enclose £15 contribution to the cost of transport to London.

Signed..... Date.....
