Monday 23rd March 2026

Dear Parents and Carers,

We are delighted to share some exciting news with you regarding an opportunity that will benefit our children and school community.

Our application to the Tesco Stronger Starts programme has been successful, and our project to transform the EYFS outdoor area has been selected to go forward to a public vote in local Tesco stores.

Voting will take place in-store from Tuesday 28th April 2026 until the end of July 2026. During this time, customers will be able to vote for projects in their local store, and the projects with the most votes will receive funding. The top prize is £1,500, with smaller amounts awarded to second and third place projects.

Our project focuses on enhancing our outdoor space so that every child can explore, play, and thrive in a stimulating and engaging environment. This development will make a meaningful difference to the learning experiences we can offer.

We would greatly appreciate your support in helping us secure as many votes as possible. If you are shopping in Tesco during the voting period, please look out for our project and cast your vote. We also encourage you to share this with friends, family, and the wider community—every vote truly counts.

Thank you, as always, for your continued support of our school.

Yours sincerely,

Miss Laura Parker
Early Years Foundation Stage Lead
