Dear Parents/Carers,

### **Start of Day Routine Change**

After the Easter holiday, all children will be able to enter the school building and go into their own classroom from 8.35am onwards. This will develop our children to become more independent and ensure a calm, quiet start to their school day.

The school start time remains the same, 8.45am, and it is important all children arrive no later than 8.45am.

Teaching staff will be available on the playground if you have an important message about your child. School staff will be in your child's classroom between 8.35am and 8.45am, ensuring a calm, quiet start to the school day.

As ever, if you have any queries about this or anything you would like help with, please do not hesitate to contact me.
